

## WELCOME TO WARE

Welcome to GlaxoSmithKline's Ware site, home to some of the world's leading tablet and respiratory medicines.

We are proud of our site and its role in introducing new products to the GlaxoSmithKline portfolio and in providing medicines to improve people's lives.

We want you to enjoy your visit and will be pleased to answer any questions you may have.

### WARE VISION

To improve millions of people's lives every day by the rapid development and supply of our medicines

## SAFETY ADVICE

- Remain with your GSK host and display your visitor's badge at all times while on the site.
- FIRE ALARM – In the event of a fire alarm you will hear a recorded message or a banshee. If instructed to evacuate or if you hear a continuous banshee, please evacuate by the nearest exit and follow your host to the assembly area.
- Any accident or injury occurring on site must be reported to your host. They will arrange appropriate first aid treatment. Should you require urgent assistance the site emergency helpline number is 2222.
- Special health and safety precautions must be taken before entering certain areas (especially production areas) and you should only enter these areas with the agreement of your host. Please obey any signs or notices.
- SMOKING - A 'No Smoking' policy applies throughout the site.
- Please keep to the walkways and pedestrian crossings, which are clearly marked.
- If you need to bring your car onto site - to make a delivery, for example - your host must contact Security to gain permission. You will be given a car pass which must be displayed on your windscreen. Please note that a 10mph speed limit is strictly enforced across the site and that pedestrians using crossings have priority.
- RADIOS, PAGERS AND TELEPHONES - may not be used in certain parts of the site. Please inform your host if you carry any of these items and take note of any signs prohibiting their use.

## VISITOR INFORMATION

## HOW TO FIND US

### By Road

Ware is situated just off the A10 London/Cambridge Road (which crosses the M25 at Junction 25). If coming from the south, do not take the turning off the A10 signposted Ware and Hertford, but the turning after that (beyond the viaduct) signposted Ware and Stevenage.

### By Rail

Regular services operate to Ware from Liverpool Street Station. Walking time from Ware Station to GlaxoSmithKline is approximately 15 minutes.

## DURING YOUR VISIT

On arrival please proceed to Visitor reception in Priory Street. You will then be issued with a visitor's badge which you should wear throughout your visit.

You must always be accompanied by a member of GlaxoSmithKline staff. We place a very high value on health and safety, and so one of your host's priorities will be to ensure your visit is safe as well as pleasant. He or she will make you aware of any relevant health and safety procedures and we ask you to follow any instructions you are given – including those overleaf.

### Parking

The Visitors' Car Park is clearly signposted. Please use it, even if your visit is brief. We strongly discourage staff and visitors from parking on the public roads around the site.

### CONTACTING US

If you require details about disabled access or any other information please contact Reception on telephone 01920 463993
